ITINERARY

DAY 1

Flying into the Grand Junction Airport, you will be met by a Land Rover representative and taken to the picturesque Red Cliffs Lodge, situated on the banks of the Colorado River. For the duration of your stay, you will be looked after by our team who are dedicated to making your stay as pleasant and as comfortable as possible.

After welcome drinks and a chance to meet and chat with your fellow explorers, there will be an initial welcome meeting held by the Land Rover Team followed by a delicious dinner in the private dining room.

DAY 2

After breakfast, everyone gathers for a briefing before heading out to tackle the formidable Seven Mile Rim Trail. Along the drive, you'll see many of the iconic rock monuments such as Merrimac Butte and Determination Towers, as well as the extraordinary and gravity defying, Uranium Arch. This is when you realise this is more than just another driving holiday.

Lunch will be served on the trail allowing you to marvel at this staggering landscape. Then it's back to your vehicle to complete the rest of the adventure. By now, you should be feeling a little more confident in your ability to manoeuvre your Discovery, Range Rover or Range Rover Sport across this challenging terrain.

Dinner will be served in Moab at the vibrant Desert Bistro Restaurant. Here is where you can unwind and discuss the highlights of your first day on the trail.

DAY 3

After a hearty breakfast and another quick briefing, we will set out to enjoy the breathtaking scenery along the Poison Spider Trail. Flanked by the stunning Moab landscape and the Colorado River, the sloping rock layers should provide a more challenging test.

Lunch will be served on the trail, where you'll have a much-needed chance to catch your breath before heading back out to complete your second trail.

Evening dinner will consist of a traditional camp fire dinner and barbecue. By now, you will have two full days of extreme off-roading stories to share with your fellow guests.

DAY 4

After breakfast and the morning briefing, we will tackle our third and final trail. The unforgiving Hell's Revenge Trail where your skills will be pushed to the absolute limits, forcing you to call on everything you've learned over the previous two days.

Steep climbs and descents make up most of the trail meaning this is not one for the faint of heart. But of course, our expert instructors will be there to guide you along every step of the way.

Lunch will be served on the trail allowing you to soak up these incredible vistas for a final time.

Evening dinner will be a private function where certificates will be presented followed by farewell speeches.

DAY 5

If you're not quite ready for your crusade to finish just yet, you could always sign-up for one of our additional activities.

What better way to finish your experience than trekking through this breathtaking landscape on horseback. Switching from four-wheel drive to four legged.

Or if it's a bit of pampering you're in need of, then surely a sports massage is the perfect way to wind down along with a relaxing soak in a hot tub.

ACCOMMODATION

Welcome to the modern, rustic comfort of Red Cliffs Lodge where views of the Colorado River will greet you each morning and night. A place where the food, wine and conversation are just part of the Experience. It's your retreat after a challenging drive on the trail. It's where you share the highlights of the day.

The Lodge is also home to the award-winning Castle Creek Winery, and offers a range of activities. Everything from discovering the area's rich history of movie making in the Moab Movie Museum, improving your handicap on the Moab golf course, or simply unwinding in the pool or hot tub.
